

JERRY BEAVERS

Men's Skill – 1990

Born in Wilson, Oklahoma, Jerry has been in the Oklahoma City area for 29 years and a sanctioned bowler for 30 years. The resume is quite impressive and lengthy, so listed here is an abbreviated version. His High Five league averages are: 215, 211, 208, 206, and 205. He has bowled Three 300 Games, Three 299 Games and his High Series is 781. He boasts 26 league championships winning every possible award a league can honor. His notable tournament wins include 19 First Place finishes and 11 2nd Place finishes in Oklahoma City, Oklahoma State, Red Apple & P.O. Tour. He has attended 20 consecutive ABC National Tournaments from 1970-1989 and his cumulative average is 186.31. He has been tournament directors, league secretary, President, Vic-President, Coach, Instructor and Pro Shop operator. I don't believe there is much Jerry hasn't accomplished or participated in regarding bowling. He is a quiet, unassuming, modest guy with outstanding sportsmanship traits that is dedicated to helping other bowlers. The Oklahoma City Bowling Council is proud to induct Jerry Beavers into the Oklahoma City Hall of Fame.
