

ORVILLE C. JONES

Men's Service Division – 1986

Mr. Jones has been a sanctioned bowler for 23 years, serving as a Director for the Oklahoma City Men's Bowling Association since 1973. During this time he was Vice-President of the Oklahoma State Men's Bowling Association in 1977-78. In 1980, he served as President for both the Oklahoma City and the Oklahoma State Men's Bowling Associations, simultaneously. His dedication to team bowling and character lead to a personality that makes him tackle any job given to him. Because of his many years rendered to bowlers in both the Oklahoma City and the State Associations we proudly induct Mr. Orville C. Jones into the Oklahoma City Bowling Hall of Fame.
