

## SCOTT WORD

### Men's Skill - 2004

Scott is described as the consummate league bowler who has maintained 220+ league average over the last 20 years. He had a high average of 237 the past two years before a shoulder injury slowed him down. A very competitive team bowler makes him an excellent anchorman as he wants the ball with the game on the line. Scott has bowled: Five 800 Series, Twelve 300 Games, Six 299 Games, One 298 Game, and Ten 11 in a row Games. His High Series is 844 as he had two 844's within a month of each other in 2002. His proudest moment and biggest thrill is an 800 Series bowled in Singles at the ABC National Championship 2000 in Albuquerque, New Mexico. He led the tournament for several weeks and finished third. Because of his ability, Scott has bowled with the Professional bowlers several times. He won several PBA qualifiers gaining entry into the Choice Hotels Tournament held at Boulevard Bowl. In 1998, he won the US Open qualifier averaging 230+ and had to average 257 for the last four games to win. In an exhibition match he beat Women's qualifier Tiffany Stanbrough with another 250+ game. Scott was a PBA member in 1993-94, but was unable to travel to many events due to his Postal employment. He did however win 6 National Amateur Bowling, Inc. and 7 Southwest Amateur Bowling Association tournaments. He has been on teams that won two City Championships and won the Triple Elimination Doubles tournament. For his love of the game and his excellent ability, the Oklahoma City Bowling Council proudly inducts Scott Word to its Hall of Fame.
